## Insurance Coverage Requirements:

Renter shall comply in all respects with the following insurance requirements in order to rent any of the Equipment from ANALOG DIGITAL INTL, INC.

Renter shall furnish Analog Digital Intl, Inc. with a Certificate of Insurance, signed by an authorized representative or agent of an insurance carrier admitted in New York City, with an A.M. Best rating of A or higher, setting forth all of the required coverage. Insurance Certificate is required prior to delivery or pickup of any of the Equipment. Insurance should be in full effect at all times from Delivery to Return, and shall be obtained and maintained by the Renter at Renter's sole cost and expense. At a minimum, your insurance must cover the entire rental period, from pickup/delivery date through date of return. You are welcome to provide blanket insurance coverage so that a new COI is not required on a per-rental basis. Policy no., effective date, and date of expiration must be stated on form.

Analog Digital International, Inc. must be named as a certificate holder, which means you cannot provide merely evidence of insurance. Analog Digital International, Inc. must be listed as **Loss Payee** regarding property coverage and as **Additional Insured** regarding liability coverage on your Certificate of Insurance (COI). Insurance coverage must specify "for rented/leased equipment". Insurance must be verified and in place before a rental. Print, sign, and fax your Certificate of Insurance to (212) 688-5405.

**Please note:** Analog Digital International, Inc., cannot provide insurance coverage, waivers or cover customers under our insurance. ADI will not accept 3<sup>rd</sup> party insurance.
